Automatic Medicare EOB Posting News

For those Avanta clients using the Automatic Medicare EOB Posting feature, you already know how fast and easy it is to post an entire Medicare EOB.

For those of you who are still not using this feature, we have some news that may change your mind. Medicare has informed us that electronic EOB's can be received on a daily basis rather than a weekly basis. This means that your paper EOB's will more closely, if not identically match your electronic EOB's. This makes it much easier to transmit your Medicare claim files on a daily basis and still allows you to balance your daily payment posting.

If you are interested in receiving your Medicare remittance files (also known as "835") files on a daily basis, simply call Medicare at (213) 593-6950 and speak to a support representative.

If you do not currently use the Medicare automatic posting feature and have questions, please feel free to call and speak to an Avanta support representative at (818) 706-9191.

FREE Avanta Seminar

The next Avanta Seminar will review the Appointment Scheduler as well as the new Appointment Scheduler Report that will be added to your system on your next Avanta update. This new report adds reporting on appointment reasons, resources, locations, and even reports on "no-shows".

For your convenience, Avanta will offer six free sessions at two separate locations over three days. The locations that have been selected for this seminar

include our office in Agoura Hills and the Cedars Sinai Medical Office Building in Los Angeles. Morning and afternoon sessions are available at our office on Tuesday, November 16th, at the Cedars Building on Wednesday, November 17th, and back at our office on Thursday, November 18th. Morning sessions are 9:00am to 12:00pm, with afternoon sessions from 2:00pm to 5:00pm.

Please contact an Avanta Support Specialist to RSVP. As space is limited, a 48-hour cancellation notice is required. If you are unable to attend our seminars, private training can be scheduled at your office for our normal fee.
